Robert Peace	Sheffield Children's Hospital Foundation Trust	Lead Governor	27/09/2022	

"A conflict of interest is a set of circumstances that creates a risk that an individual's ability to apply judgement or act in one role is, or could be, impaired or influenced by a secondary interest. It can occur in any situation where an individual or organisation (private or government) can exploit a professional or official role for personal or other benefit. This definition is based on generally accepted standards". *Source: National Audit Office.*
